

DOE SCHOLARS PROGRAM

Explore the possibilities

The DOE Scholars Program introduces students or recent college graduates to DOE's mission and operations. As a participant in the DOE Scholars Program, you will have a competitive edge for familiarizing yourself with DOE functions while showcasing your education, talent, and skills.

Disciplines: Engineering; physical sciences; environmental sciences; computer science and information technology; physics; business; policy; program management; mathematics; statistics; safety and health; accounting and finance; law; communications; and other related areas.

Eligibility: U.S. Citizens Only. Undergraduate, graduate or post-graduate of an accredited institute of higher education.

Locations: Various locations across the U.S.

Duration: Summer Term of 10 weeks (May - August); terms may be extended.

Deadline: Applications accepted October 15, 2012 through January 4, 2013.

Benefits: Stipends up to \$650 per week depending on academic status. Travel to and from the appointment site will be paid when the distance is over 60 miles one-way.
