

*Informatics Olympiads
Colegio Beato Carlos Manuel
Bayamon, Puerto Rico
April 9, 2013*

Picture of the of the Informatics Olympiads offered by Tomas Yan, the CCCE Coordinator. This activity was followed by an orientation to the students about the Pre-College Saturday Research Program.

On the back of the picture we have Pre-College Students from the school Colegio Beato Carlos Manuel followed by the computer science teacher. In the front (left to right) we have the three best scores of the Informatics Olympiads, Andres Morales (first place), Nelson Aleman (second place), and Zorymar Morales (third place).

Picture of the seniors of students from the Colegio Beato Carlos Manuel, after taking the exam of the Informatics Olympiads.
