**Tour of the NOAA Ronald H. Brown Research Vessel  
February 17, 2013**

CCCE Scholar Jenipher González at the NOAA  
Ronald H. Brown Research Vessel

On February 17, 2013, AGMUS students had the opportunity to tour the NOAA Ronald H. Brown Research Vessel. The tour lasted about three hours and the students were shown the whole ship including control rooms, equipment, labs, rooms, kitchen, library and other places. Students also had the opportunity to talk with several professors and scientist about research opportunities in collaboration with NOAA.
